

Vision Insurance

Keep your family healthy and seeing clearly.

Vision insurance can help lower your out-of-pocket expenses so you and your family can maintain your eyesight – and better overall health, too.

- Whether you just need a basic eye exam or designer frames – we have options for you.
- Choose a local eye care provider from a large network and benefit from lower out-of-pocket costs.
- Cover your spouse and your dependent children so you can help your whole family see clearly.
- Benefit from group rates that may be more affordable than buying vision insurance on your own.

Take care of your eyes, and they'll take care of you.
